

VENTURI AIR SPRAYERS

For Orchards, Up to 20 Foot Rows

These unique Venturi Air Sprayers feature our most powerful high speed turbine fans and are the latest technology in fine mist spraying. Thus, growers achieve the following benefits: spray atomization of droplets are smaller and more uniform, less fill-ups, even distribution of concentrated spray, complete foliage coverage, better product utilization, less chemical waste and soil/water contamination. This 6 vent distribution head is also available on our 300 and 500 gallon trailer models.

This sprayer produces a perfect curtain of fine fog sized droplets through special 6 vent distribution heads with a total of 96 orifice liquid outlets.
